Large Crowd Sees Donner Families Camp Dedication

Area Will Become Campsite When New Reservoir Is Completed

Between 200 and 300 people from all parts of the state Sunday afternoon watched the unveiling of a beautiful bronze 20 by 20-inch plaque on a huge bounder marking the site of the George and Jacob Donner families' camp on Alder Creek during the tragic winter of 1846-47.

It was at this spot, historians declare, that half of the party of 22 perished of cold and hunger. The Donner families had stopped to make wagon repairs, four miles north of Truckee, and were overtaken by a snow storm seven miles from where the main portion of the party also was stranded near the east shore of Donner Lake.

The site eventually will become a large campground and picnic area after completion of the Prosser Creek dam and reservoir. It is located about 100 yards from the new alignment of Highway 89 and offers an ideal site for what it is intended.

Presently the site is marked by two decaying stumps which are not expected to survive many more winters and the placement of the huge stone and the bronze plaque will permanently mark the location. The plaque was installed by James Scardina of Donner Lake.

The program Sunday was arranged by committees from five organizations headed by Robert Paine of the E Clampus Vitus Chapter of Nevada City and N. F. Dolley, manager of the Truckee Donner Chamber of Commerce. The outstanding success led the leaders to plan an annual observance of the affair at the site. Details will be worked out later, Paine and Dolley agreed.

The Tahoe Truckee High School band well earned the applause which greeted their selections and which added much to the program. The Boy Scouts of Troop No. 7, under the leadership of Jack Goldsmith presented the colors.

The invocation was given by Rev. George Symons and the benediction by Father James Mulligan. Victor McLane led the community singing.

A number of brief talks were

Billboards At Lake Banned Under Plan

AUBURN—A compromise on a scenic highway ordinance was reached after the board of supervisors agreed to name State Highways 28 and 89 in the Lake Tahoe area as being scenic routes, a designation which would ban billboards.

The break through in the three year push to draft an ordinance came when Planning Director Stewart Bryant suggested Highways 40 and 49 not be included as scenic highways. The compromise was accepted by several Auburn businessmen who had bitterly opposed the ordinance.

Bryant and the county planning commission had submitted a revised draft of the ordinance to end billboard advertising along scenic highways, to the supervisors after he said it had been reviewed by the district attorney's office.

District Attorney Al B. Broyer, however, told the supervisors he had not approved the terminology of the proposed draft and did not think it was ready for adoption.

MRS. MAYNARD WILL BE GUILD DELEGATE

At the meeting of the Assumption Guild held Monday evening Mrs. Winnie Maynard was voted to go as a delegate representing the guild to the National Grand Council of Catholic Women's convention to be held in Las Vegas October 31 to November 4.

While the Guild is allowed only one delegate at the convention any other members are welcome to attend.

Anyone interested in attending may contact Mrs. Marie Reichlin for reservations.

WOMAN IS SERIOUSLY INJURED IN MISHAP

Mrs. Racine Jacobs, 68, Capitola, was seriously injured at 1:45 p. m. Tuesday when the car driven by her husband, Joseph, 69, got out of control and plunged 30 feet down an embankment at Farad.

Both were taken to the Tahoe Forest Hospital by Truckee Ambulance. Jacobs was not believed seriously injured.

CAUSEYS RETURN

Mr. and Mrs. Harry Causey and two daughters have returned to Truckee after two years spent at Blyth where Causey was an inspector with the department of agriculture. He has transferred to a similar position at the local quarantine station.

LICENSE

Patricia Bacon, 19 of Tahoe City and Douglas Capps, 2 of Oakland received a marriage license at Reno.

Tahoe-Truckee To Face Yerington In Homecoming Fete

The battling but scoreless Wolverines of the Tahoe Truckee High School went down to defeat before the league leading Mustangs of Lovelock Friday night 49 to 0. It was a Northern Nevada A conference game which gave Coach Ed Jesse's club a record of 3-0 atop the circuit and a 4-1 overall. Tahoe Truckee is now 0-2 and 0-4.

Coach Tom Pendergast had no apologies, holding that lack of experience and weight is handicapping the local boys.

Coach Guy Wilson and his Jayvee team from Tahoe Truckee played at Portola Saturday and came out on the short end of a 13 to 0 score.

This Saturday, the local varsity squad will meet the Yerington team on the local field at 2 p. m. with the JV's being idle.

In Friday night's game Tahoe Truckee penetrated into Lovelock territory only twice. Once was in the final period, when Sheehan passed to end Mike Camola on a play that carried 75 yards to the Mustang three. But the play was called back on a penalty.

The Wolverines were held to minus yardage during the first half, but fared better against Lovelock reserves.

Immunization Will Be Held Tomorrow

Dr. Ray H. Wiser, county health officer, announces that a free immunization clinic for preschool children and adults will be held at the old elementary school in Truckee between 12 noon and 1:30 p. m. Friday, October 21.

The clinic will include polio shots as well as other immunizations.

Dr. Wiser pointed out that immunization against diptheria, whooping cough and tetanus should be started with children now. There will be a series of three injections, one each month for three months, then a booster one year after the third injection.

The doctor also emphasized the fact that adults presently are the least protected against polio and urged all to take advantage of the clinic tomorrow.

NEW VICAR ARRIVES FOR TAHOE CHURCH

TAHOE CITY — A coffee hour was held last Sunday to introduce the Rev. Arnold Carlson who has been appointed by the bishop of the Sacramento Episcopal Diocese to serve as vicar of St. Nicholas Church at Tahoe City.

Rev. Carlson holds a bachelor of arts, bachelor of divinity degrees and degrees in theology and divinity. A native of Hollywood, he served four years in the armed service in England and has 14 years experience in ministerial work and for the past four years has served on the Evangelical Committee for the state of Montana with missions in Montana, Idaho and South Dakota.

Rev. Carlson and his wife, a registered nurse, will move to the lake permanently in December after he finishes his studies in Berkeley. Until then he will be here on weekends.

TWO BABIES BORN AT LOCAL HOSPITAL

Two babies were born at Tahoe Forest Hospital recently with the arrival October 12 of Michiko Myleta, daughter of Mr. and Mrs. Edwin Coltrin of Soda Springs. The infant's first weight was a round 6 pounds.

It was a boy for Mr. and Mrs. Willard Austin of Pineland on October 16. Leon Warren weighed in at 6 pounds, 13½ ounces.

APPROVE ACTION

CRYSTAL BAY — The recent action by the Placer County Board of Supervisors in designating State Route 28 as a scenic highway, thus prohibiting billboards along the road, drew enthusiastic support along one section of the Nevada length of the route. Crystal Bay Development Co. announced similar prohibition on its lands along the right of way through deed restrictions and design controls.

In Sacramento—

Mr. and Mrs. R. G. Leamon and son, Bruce and daughter, Marcia, spent the weekend with relatives in Sacramento.

New Highway For North Tahoe Gets Approval By State

$1,200,000 Will Be Spent Next Year On State Route 28

State Senator Ronald G. Cameron, visiting in this area this week, said that on Tuesday the California Highway Commission appropriated $1,200,000 for improving, grading and surfacing State Highway 28 for eight miles.

The improvement will start at the summit of Dollar Grade and extend to the Nevada State Line, following the present alignment.

Work will start in the next construction period early next year, Cameron was advised.

The project call for four lanes in the Kings Beach, Tahoe Vista and Carnelian Bay areas.

Last Rites Friday For Local Woman

Funeral services will be conducted at the Truckee Colonial Mortuary tomorrow at 2 p. m. for Mrs. Ann Meyers, 50, for the past three years in charge of the dining room at the Alpine Riverside Hotel, who expired suddenly, apparently from a heart attack Monday.

Rev. George Symons will conduct the rites and Mrs. Roy Rhoades will be the organist. Burial will be in the Truckee cemetery.

Mrs. Meyers was married last Saturday to her surviving husband, Robert E. Meyers, also in charge of the dining room, who said it would reopen Monday.

The deceased was a native of Oklahoma, born July 24, 1910. Besides her husband, she is survived by a daughter, Mrs. Pat Raylance and two sons, John and Gary Cummings of Pocatello, Idaho; a brother, Floyd Buhler of San Jose, a brother Roy Buhler of Oroville and Sam Buhler of Washington. A sister, Mrs. Claudia Dilday lives at Klamath Falls.

DISTRICT PRESIDENT IN AUXILIARY VISIT

KINGS BEACH — The Ladies Auxiliary, VFW of Lake Tahoe Post 7077, held their regular meeting October 13 with Pearl Martin presiding.

Guests for the evening were District 3 President Ann Shulley of Reno Post 407 Auxiliary, who was here to make her official visit, and Stella Shaughnessy, department chaplain from Kit Carson Auxiliary in Carson City.

Mrs. Shulley outlined the district 3 program, the chairmanships and how it will work along with the department.

A social meeting will be held October 27 at the home of Bea Snell at which time Hospital Chairman Dorothy King said bed pads will be started. Each member was asked to bring an old sheet,

Ethel Antonson was appointed hospital chairman and Pearl Moore as civil defense chairmen of District 3.

DONNER LAKE HOME VICTIM OF BURGLAR

Sheriff's deputies are investigating the burglary of the Harold See home at Donner Lake Monday night in which tools, clothing and household items valued at $675 were taken. The Sees live in San Mateo and were not at the Donner place when the burglary occurred.

Entrance was gained through a bedroom window.

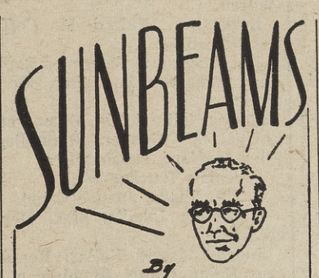
SUNBEAMS



By WALTER M. BARRETT

Whether or not Truckee is legally incorporated, as apparently it is, we believe it incumbent upon the chamber of commerce to determine the facts and present them to the people of the community. The district attorney has ruled that the town is incorporated under an act of 1856, which of course, is likely inadequate to serve the present needs of the area. We believe an attorney should be retained to go into the matter in detail and determine beyond a doubt the legal standing. There necessarily must be many changes made, a working board or committee should be named to formulate a program for future guidance and ascertain the true legal standing of the town. The one thing which should not be done is to ignore the decision or permit it to go unchallenged. It is possible that the people of the community do not want incorporation and if this is the case, it should be determined now. If they do want it, then we should go ahead with a definite constructive program.

Capital Man Loses In Local Robbery

Officers are seeking a blue Lincoln Continental, 1959 or 1960 model containing four men and a woman who at 6:30 p. m. Tuesday night forced a car driven by Patrick C. Carroll of North Sacramento off the highway near Truckee and robbed him of $463.

According to the sheriff's office and CHP which are investigating, Carroll earlier had won the money in Reno and undoubtedly was followed by the robbers, who forced him at the point of a gun to surrender his wallet.

The robbery occurred just east of the quarantine station at the intersection of Highways 40 and 89.

LOCAL MEN RECEIVE COMMISSION IN CAP

Receiving their appointments as first lieutenants in the Truckee-Tahoe Composite Squadron, Civil Air Patrol, Nevada Wing, Truckee, are the following senior members: Squadron Commander John E. Houlgate; Chaplain Roy S. Rhoades; Medical Officer Benny R. King, and Legal Officer Robert A. Fugazi.

These senior officers will receive their bars at an open house planned within the next few weks, when officers from Nevada wing will present this new squadron with its charter.

Transferring from this squadron, to the Washoe Cadet Squadron, Reno, Nevada, having moved to that city, are the following personnel: Chief Warrant Officers Hugh T. and Bessie M. Weinand, with their sons, Cadets Don and Daryl Weinand.

TAHOE FIREMEN ARE HONORED IN MEETING

TAHOE CITY—As a token of appreciation for the fine work they did at the recent central office fire at Tahoe City. L. R. de Gallery, manager of the Pacific Telephone Company, was host at the dinner meeting of 25 Tahoe City volunteer firemen last Thursday evening at Tahoe Inn.

Chief Al Henry presided at the meeting.

At the same meeting, Robert Wray, local Homelite distributor, presented the department with a Homelite chain saw to be used in ventilating structures during fire.

Back From Vacation—

Mr. and Mrs. Jerry Quam have returned after a two week's vacation jaunt up the coast and to Chico. Quam has resumed his work as butcher at Z Market.

From Valley—

Mr. and Mrs. Tony Maher of Roseville and family were guests last weekend of Mr. and Mrs. Oscar Schumacher.

Nagel Visits—

Fred Nagel, republican candidate for congress, was calling on friends and voters in this area Monday.

Truckee Boy Out In Front In First Local Buck Derby

Interest Grows As Hunters Strive For Largest Deer In Area

With a 184-pound buck killed in the Hirschdale area, William Hazelton of Truckee not only took the fourth week's prize in the first annual Truckee Outdoor Sportsmen's buck derby but is leading the field for the grand prize. Hazelton is only 16 an dit was his first buck.

Last week's award was a transistor radio and an electric coffee maker.

To be awarded Sunday night at Bud's Sporting Goods, will be a complete winter wardrobe for the working man including "tin" pants and jacket and other similar garments or the equivalent in other clothing at Jim Walker's Toggery.

The contest, open to all hunters in the district, is continuing three more weeks with the grand prize—an automatic rifle going to the hunter with the largest buck shot during the season.

Weekly winners thus far have been Randy Burky of Sacramento, James F. Haskins of Vallejo, Bruce B. Bales of San Rafael and Hazelton.

Each week finds more and more interest in the contest as hunters from far and wide vie for the excellent awards offered.

While entrants need not be members of the Truckee Outdoor Sportsmen to win, the club is currently engaged in a membership drive, Bill Fordham, club president, declared.

TREE COOP GROUP IN ENFORCEMENT MEET

The Tahoe Coop Christmas Tree Patrol held its annual meeting with the law enforcement agencies of the Truckee-Sierraville area on October 17 at the Truckee ranger station.

The group included deputies from Nevada, Placer, and Sierra Counties. The California Highway Patrol participated as did representatives from Fibreboard Products Corporation and the Southern Pacific and Company. The group discussed the various phases of the Christmas tree operation with regards to the state and county laws that govern cutting, transporting and selling Christmas trees.

State law requires filing of intent to cut Christmas trees with the local forest service. The county ordinances also require transportation permits before any trees are moved. The law enforcement agencies mapped their plans for Christmas tree theft prevention and strict enforcement of all state and county laws.

If anyone has any questions regarding any of the regulations, laws or ordinances governing the cutting, removal, stock piling or transporting of Christmas trees they may contact the local ranger station.

20 YEARS LATER MAN PAYS SPIKE BUCK FINE

Twenty years of a pain in the conscience finally drove a California hunter to send the department $75 for an illegal spike buck he shot about 20 years ago. He settled on that sum, he said, because another man was fined that much for the same thing at about the same time.

The money could not be accepted as a fine by the department, but it is permitted by law to accept contributions to the fish and game preservation fund for the conservation of the State's fish and wildlife resources.

The donor asked that his name not be revealed to the public. The department has thanked him by letter and praised him for his commendable action.

SIERRAVILLE GIRL TO MARRY THOMAS GROW

Kessner Funk of Sierraville has announced the engagement of his daughter, Miss Annette Funk, to Thomas S. Grow, son of Mr. and Mrs. Leslie Grow of Truckee.

Miss Funk is a graduate of the Loyalton high school and Grow, currently employed at Arcata by Z Markets, is a graduate of the Tahoe Truckee high school and recently returned after a tour of duty with the army in Europe.

The young couple plan to be married in the Loyalton Baptist Church December 10 and after a brief honeymoon will make their home at Arcata.

Woman Is Killed In Car, Truck Crash On Donner Summit

One woman was killed, a man so critically injured that he was not expected to live and two others were taken to the Tahoe Forest Hospital with serious injuries as a result of a truck-car collision a mile west of Soda Springs on the Kingvale freeway Sunday at 7 a. m.

Mrs. Carrie Eala, 37, Oakland was killed outright when the car driven by her husband, Loreto Eala, 51, crashed into the rear of a flatbed truck operated by Lester Johnson, 34, Auburn.

Taken to Washoe Hospital in Reno with critical injuries was Marino Rigunay, 57, Oakland. Eala and Reymedios Daltazar, 52, also of Oakland were treated at the Tahoe Forest Hospital.

The highway patrol believes that Eala misjudged the speed of the truck and the lighter vehicle rammed under it with terrific force. The investigation is continuing.

Both vehicles were traveling east at the time of the crash.

Chamber Against Redistricting Plan

The Truckee Donner Chamber of Commerce has gone on record, through a resolution passed at the last meeting, urging defeat of Proposition A on the November 8 ballot.

The proposition if passed will redistrict the five supervisorial districts of Nevada County.

The resolution follows:

Whereas, a proposal is before the voters of Nevada County on November 8, to redistrict the western portion of the county, and,

Whereas, the proposed plan, if carried, could enable three of the supervisors of the county to be elected from within the city limits of Grass Valley, and,

Whereas such a plan is undemocratic, and if adopted, could result in large rural areas having little, if any representation, and,

Whereas, this condition could well adversely affect the interests and welfare of the Fifth District of some future occasion, and,

Whereas, the board of supervisors have already approved a plan for redistricting that eliminates the conditions above set forth, and have indicated that they would redistrict the couny by ordinance if the present proposal is defeated.

Now Therefore, the Truckee Donner Chamber of Commerce urges all the voters of the Fifth District to vote NO on the Nevada County redistricting proposal on November 8.

PLANS STARTED FOR ANNUAL VFW PARTY

KINGS BEACH — Commander Robert Molsberry and President Pearl Martin of VFW Post and Auxiliary 7077, Lake Tahoe, announced the annual dance and buffet will be held Saturday, November 12 at Crystal Bay Club starting at 8 p. m.

The Halloween dance normally held in October has been discontinued, the dance now will be held annually in November near Veteran's Day, November 11. This will elminate conflict with school activities in October.

Tickets will be sold by members of the post and auxiliary starting October 19.

DEER ON GOLF COURSE KILLED BY KEEPER

This time next year it won't be surprising if golfers at the new Shadow Valley course just south of Truckee carry rifles in their golf bags.

They may follow the lead of the greens keeper, Carmel Welch, who last week bagged a 3-point buck on the third green of the course.

The course is not yet open and the deer, attracted by the beautiful green grass, wandered onto the area where he was spotted by Welch.

Opposition Looms As Proposition A Is Branded Unfair

Dangers Of Redistricting In County Pointed Out By Opponents

Although the controversial Proposition A will appear on the November 8 ballot, it is being vigorously opposed as an unfair measure by the Nevada County Board of Supervisors and others, including many residents in the areas outside Grass Valley.

The mesaure would redistrict the county in supervisorial districts and would create the possibility of four members of the board being elected from the incorporated areas of Grass Valley and Nevada City.

The proposition was originated by the Grass Valley Junior Chamber of Commerce, spearheaded by Peter Ingram and has been in the making for the past two years. The supervisors, when the issue was presented the first time, flatly rejected it as unfair, but later agreed that it would have a place on the ballot.

A redistricting, the board agreed, was in order but the plan presented as an initiative on the ballot was opposed for the following reasons:

1.—An initiative measure can be changed only by another initiative measure.

2.—The proposal is based principally on population and does not give consideration to other factors.

3.—The measure would create the possibility of four members of the board being elected from Grass Valley and/or Nevada City.

In the latter case, this would place the entire power of the board in the hands of an incorporated city and while the redistricting does not materially affect the Truckee-Donner area, the implication is plain to see and for that reason, Supervisor H. G. Loehr as well as the Truckee Donner Chamber of Commerce and other local individuals and organizations are opposed to its passage.

Opponents of Proposition A would allow more time for study before redistricting is done and then leave it up to the supervisors so that if mistakes are later discovered changes could be made without taking the matter to an election.

Proponents point out that at the present time one supervisorial district has less than two per cent of the voters while in another one supervisors represents 55 per cent of the voters, with each having equal say in county government matters.

PUBLIC INVITED TO ATTEND OPEN HOUSE

L. D. de Gallery, manager, and other Pacific Telephone Company officials and employes, will conduct tours through the central office here tomorrow, Friday, when the company holds its open house between 2 and 4 p. m. and 7 and 9 p. m.

The open house was planned to give residents of this area an opportunity to see how automatic dialing equipment handles their calls.

Exhibits of the solar-battery invented by Bell laboratories and other equipment, including the new Princess Phone, will be on display and everyone is invited to attend.

Free balloons will be given the children and key chains to the adults, de Gallery said.

MAN HELD HERE FOR TEXAS AUTO THEFT

Gene Edward Jones, 22, of Hobbs, New Mexico was arrested here last week by Patrolmen Glenn Virus and Wayne Hopkins and turned over to federal officers to face charges of transporting a stolen vehicle across a state line.

Suspicion was aroused when Virus, then off duty, saw Jones attempting to sell new tires at Osburn's Buick Garage. Later Jones was questioned and is said to have admitted stealing a car in Texas which he drove to San Francisco. He had stolen credit cards and had used them throughout the west.

The suspect was said to have been on probation from Hobbs when arrested.

JORDAN ASKS VOTING MACHINES FOR ALL

SACRAMENTO—(CNS) — Secretary of State Frank M. Jordan has called for a $20 million revolving fund to provide loans for counties to finance purchase of voting machines.

Jordan made the request of Gov. Edmund G. Brown in a letter released to the press. Jordan, only Republican to hold a statewide office, noted that the 1959 legislature enacted a bill requiring the secretary of state to compile an unofficial report of all statewide elections, beginning at 10 p. m. on election day, and continuing until all returns were final.

"Due to the fact that we are at the mercy of the slowest county to report, the purpose of the plan to obtain early returns is defeated," Jordan said. "We will never get early statewide returns until each county is equipped with voting machines or some method of mechanical tabulations."

Jordan said elections were a responsibility of the state but costs were borne by the counties. As a result, he asked Brown to create the $20 million fund from some $186 million in special funds he believed could be used for the program.

Jordan said the cost of the purchase of the voting equipment would be paid by the estimated savings of 30 per cent per election. He suggested loans to counties would carry an interest rate sufficient to satisfy the requirements of the lending agency.

Under Jordan's plan, the voting machines would be necessary in every county which had more than 10 voting precincts. Counties which already have voting machines would be exempted from the requirement.

Because of the pay-back from savings in election costs, Jordan said no county would have to raise its tax rate to cover costs of the machines.

The St. Lawrence Freeway, built by the governments of Canada and the United States, provides a 27-foot channel from Montreal to Lake Erie.

Approximately 12 years were required to complete the Pyrex disc which is installed in the world's second largest reflector telescope at Lick Observatory on Mount Hamilton.

TAHOE TRUCKEE SCHOOL NEWS

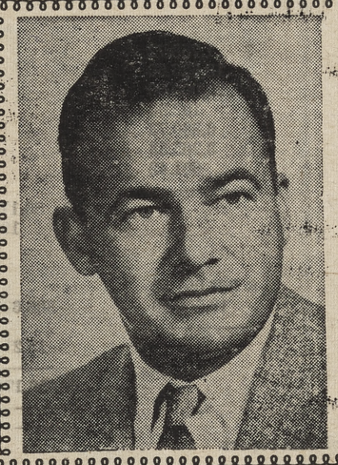
TRUCKEE ELEMENTARY

KINDERGARTEN: Carol Buchanan celebrated her fifth birthday this week. We have a very pretty plant which Sherill Brandon brought to school. It is a container made from cinder rock and sprayed gold.

FIRST GRADE: Very good marks on a recent phonics examination were given to Donald Sumpter, David Daly, Patricia Hausauer, Steve Stone, Sheri Sassarini, Judy Dent, Phillip Grow, Denise Clepper, Sonia Sandoval, Mike McLane, Kathleen Pendergast, Robert Capel, Conrod Ellis and Ida Reichlin.

SECOND AND THIRD GRADES:

POLITICAL ADVERTISEMENT POLITICAL ADVERTISEMENT



Re-Elect
Assemblyman
PAUL J.
Lunardi

Dennis Walker is president of our class for the month. We're proud of our spelling scores. Dennis Dent, David Greene, James McKinnon, Douglas Reid, Gary Stone, Joan Apple, Barbara Burgess, Connie Casto, Catherine Craig, Debra Eckerman, Patsy Goldsmith, Donna Hill, Donna Horman, Deborah Jellin, Jean King, LaVon Mayer, Bonnie Nyberg, Karen Silverii, Joyce Smart, Gary Schumaker, Susan Kenyon and Maryanne Reichlin all got 100 per cent.

THIRD GRADE: Special Columbus Day reports were made by Larry Doyle, Carl Mahon, and Barbara Randol. Debby Jo Wurst reported on birds. New class officers for October were: president, Carl Mahon; vice president, Larry Doyle; secretary, Barbara Randol; and treasurer, Nancy Raynor. We were sorry to say goodbye to Ronnie Baker whose family moved to Sacramento.

FOURTH-FIFTH GRADES: The pupils who had A's in spelling were: Henry Frates, Barry Waters, John Clark, Mike Kydd, Gail Shackelford, Jennifer O'Bear, Karel Sauby, Liz ichards, Maryann Atkinson, Michelle DeLisle, Justus Spillner, Tammie Richards and Curtis Melugin.

Karel Sauby earned an A in social studies for doing outside research. Curtis Melugin brought in some agate. Stephen Schooly brought in a German bottle and wallet. Mike Davis and Tammie and Liz Richards brought in globes. Eddie McCarroll shows a burst of speed now and then as he hurries to the bus. Ryan Houlgate prefers skiing to school.

SIXTH GRADE: The following people received a 100 in spelling this week. Deborah Bell, Catherine Braley, Cheryl Comola, Shirley Conston, Gail Englehart, Beverly Holleman, Bruce King, Marianne Moore, Susie Olano, Sharon Peterson, Dennis Richards, Garee Lynn Stewart, Lonny Tapia, and Donald Whiteneck. Class officers elected for the week are Garee Lynn Stewart, president; Marianne Moore, vice president; Lonny Tapia, secretary.

KINGS BEACH SCHOOL

KINDERGARTEN: We have a new student in class, Clay Lance. Joey Cernusak brought a real pumpkin to school.

Pierre Robert moved to Petaluma, for the winter. Anne Gorrindo and Steven Brehler looked very serious while dancing to looby-loo last week. All the boys and girls enjoyed being "shot" Friday (by a camera, of course).

FIRST AND SECOND COMBINATION: This week we had several people who got a star on the chart for doing good work. These people were Susan Astle, Francie Baxter, Debra Bell, Stephen Burghardt, Jeff Bracy, David Briscoe, Eddie Gurney, and Jeff Hoffman.

SECOND GRADE: Robert Letlow transferred to Truckee. We will miss him. This leaves us with an enrollment of 29.

The following parents attended the group conference Wednesday night when the minimum requirements of the second grade were discussed: Mr. and Mrs. Harold Tiller, Aaron Abbott, Mrs. Celia Kirkbride, Robert Fugazi, Mrs. Jack Franklin, Mrs. W. E. Watson, Mrs. Juan Cole, Mrs. Audrey Brehler, Mrs. Walter Pope, and Mrs. Al Cook.

THIRD GRADE: After completing five units in our spellers we have the following perfect scores: Linda Astle, Dona Lisa Beck, Ricky Decker, Rodney Jones, Rhonda Lumpkin, Gary Martin and Karen Mally.

We are studying "Homes" in our social studies and the children have done some excellent research work.

FOURTH GRADE: Last week we made Indian head bands and for each library book the children read, one feather will be added to their head bands.

The following people made 100 per cent in spelling: Charles Weber, Ellen Dennis, Jenny Hoffman, Charles Lambert, Steve Holley, Gregg Gunkel, Micky Barker, Cathy McIntire, Kathy Critchley, Melinda DeSylva, Sharon Roberts, Sandra Martin, Sharon Bell, Lee Bott, Debbie Hilgesen, Cathy Ferguson, and Gary Dobson.

FOURTH AND FIFTH COMBINATION: Stanley Mason did an experiment for fourth grade science. The fourth grade made an Indian Village and bulletin board about Indians.

Lynn Korsun, Dyanne Lausche, Aaron Hiibel, and Ray Manning fixed a bulletin board of our art pictures.

FIFTH GRADE: The following students have an average of A in spelling: Mitchell Abbott, Robert Riggs, Nancy Bottler, Ann Felte, Mary Ferrari, Janice Wing, Patty Bervid, Gergory Pope, Jackie Hoffman, Robert Fugazi, Mike Cook and Paul Lambert.

Gregory Pope, Cathy Murray, and Robert Riggs made a bulletin board about the November election.

SIXTH GRADE: The class has been studying the early Aztec, Mayan, and Inca civilizations in Latin America leading up to the period of its discovery by the early explorers Columbus, Cortez, Pizzaro, Magellan, and Balboa.

The following received 100 per cent in spelling for the week ending October 7: Robert Ahearn, Paul Anderson, Gregory Beck, Jon Hooper, Eddy Indiveri, Clint McKoy, Nancy Barker, Susan Clackett, Debbie Dobson, Cindy Hiatt, Wendy Howell, Debbie Martin, Cathy Rockholm, Cheryl Sanderson, Tina Slat-Kovksi, Candy Von Ruden.

The boys are playing flag football during physical education. The captains of the teams are Clint McKoy, Gregory Beck, and Eddy Indiveri.

This year's first progress test in Arithmetic found the following perfect papers: Christine Wainscoat, Susan Clackett, Carrollee Corbin and Debbie Martin.

The class also started making decorations for Halloween. Some good results have been turned in by Vicki Jones, Everly Clinton, Tommy Barr, Kenny Kammerer, Cathy Rockholm, Nicky Grellman, Jon Hooper, David Hughes, Andy Thompkins, Jim Sergi and Stephen MacGregor.

SEVENTH GRADE: To help us learn to use our spelling words we write stories with them. These are used for our final dictation test. The students whose stories have been used so far this year are Steve Felte, Bob Mondino, Bruce Templeton, Valynn Tustin, Howard Price, Linda Colombero, Darryl Cernusak, Vern Wing, and Barbara McMillen.

TAHOE LAKE SCHOOL

KINDERGARTEN: The kindergarten children honored Martha Easton on her fifth birthday last week. Each child contributed a free hand drawing to make a birthday book for Martha.

The best construction with the bolt-it set this week was a four wheel vehicle with a clay man riding on it, made by Aleta Henrikson.

Katherine Long brought a funny Halloween man to school to share with the class.

FIFTH GRADE: A new pupil, Jeff Ballenger, has joined our class. Jeff comes from Mill Valley.

Those who are working hard to turn in neat papers this week are:

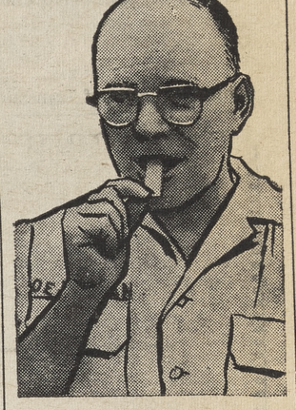
STRIKES & SPARES

BY JOE WILMAN

THE SECRET OF BOWLING LIES IN RELAXATION



In all my bowling years, I've been under every type of pressure in every big tournament. I've learned a sure way to keep myself relaxed, not only when I'm up on the approach but when I'm sitting back waiting my turn.

I chew gum. It's that simple. It may sound like an echo of a gum commercial, but I find that chewing gum gives me something to do when I'm sitting on the sidelines. It doesn't get in my way or prevent my concentration either when I'm ready to bowl.

Walter Ward, a great Cleveland bowler for many years, and Johnny King both chew on cigars as a relaxing habit. Other bowlers will stop and take a deep breath when they take their stance. I've seen basketball players do this, too, before shooting a free throw.

Everyone should have a way to get rid of the tension that normally builds up. Golfers get rid of it with a clubhead waggle just before they begin their swing.

Try chewing gum. It might work for you. Or find out what habit will help you relax.

Tahoe Driver Facing Hit Run Charge At Lake

AUBURN—Larry Marino, 34, of Lake Forest, Lake Tahoe, has been charged with felony hit and run driving as a result of an automobile accident in which two men were injured.

Highway patrolmen said Marino fled from the scene of the accident after a light truck ne was driving collided with a car driven by Hans Burkhard of Tahoe City, Lake Tahoe, on Highway 89 last month. Burkhard and a passenger, Fritz Frey, also of Tahoe City, were injured.

Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
The practical significance for today of Christ Jesus' victory over death will be brought out at Christian Science churches Sunday in the lesson-sermon entitled "Probation After Death."
Scriptural readings will include the following: "Now when Jesus was risen early the first dav of the week, he appeared first to Mary Magdalene, out of whom he had cast seven devils. . . . Afterward he appeared unto the eleven as they sat at meat, and upbraided them with their unbelief and hardness of heart, because they believed not them which had seen him after he was risen" (Mark 16:9,14).
From Science and Health with Key to the Scriptures" by Mary Baker Eddy this will be read (46:20-24): "Jesus' unchanged physical condition after what seemed to be death was followed by his exaltation above all material conditions; and this exaltation explained his ascension, and revealed unmistakably a probationary and progressive state beyond the grave."

"Why did I let him get me so upset?"

When your worries take the wheel, you're a potential killer! It's a fact. When worries get you down, you just can't concentrate on driving. And that's when you can cause an accident! Last year, many of the nearly 37,000 who died in traffic accidents were killed by drivers whose minds were on their troubles, instead of on the road. So check yourself. Don't let anything distract you when you drive. You'll live longer—and so will others.

The Donner Lake firemen were called out Saturday night and successfully put out a fire that could have been quite disastrous. The cause of the brush fire was unknown and it burned a couple of trees on the George E. Benoit property in the Greenpoint subdivision near the Ted Franklin home. The forest service was on hand and between the two departments, prevented the loss of homes and another forest fire. The men were called out around 9:20 p. m. and had everything under control by 10:30 p. m. I think this was a wonderful way to end Fire Prevention Week and we are all proud of our fire department and the forest service.

The firemen and auxiliary members and their families will enjoy a delightful evening October 29 when they attend the Halloween potluck which will be held at the high school cafeteria. The committee changed the placed to the high school as it would be more convenient and more room for the games and the many expected for the potluck. Another committee meeting was held at the home of Nancy Brodie Tuesday afternoon when the members made plans to make it an interesting evening for all. Don't forget to reserve Saturday night, October 29, from 6 p. m. to 9 p. m. for your Halloween fun with your family and neighbors. Costumes are optional but of course, more fun.

Many Donner families will be sorry to know that Margaret Widenmann is suffering from a heart ailment and has to take it very easy for awhile. She and her family will not be up for some time as the trip would be too strenuous for her. She and Dr. Widenmann and children are from Vallejo and are well known at Donner Lake.

We have less than three weeks now before election day and I do hope that all registered voters will get out and vote this time. I feel that this is one of the most important election years of any time and that it is our duty to go to the polls as well as a great honor. Our precinct at Donner Lake will be at the Armstrong Realty office and I will be serving as clerk, so I hope to see all of you at the polls.

We just have a little more time to go fishing and hunting this year as the season closes this month. The fish must know it too, as I saw some kokanee starting to come in fairly close to our shore this week. They are getting ready to spawn so that could be why they are coming in out of deep water. I think the Truckee Outdoor Sportsmen can be very proud of the success of their Buck Derby. Even though none of our locals won the main weekly prize, it is good advertising for the whole area. There are plenty of deer around as we see their tracks in our back yard.

If you think it is too early for snowbunnies, you are wrong. I am speaking of the little four-legged ones of course. Mr. N. D. Plant of Yuba City is up here working on the new freeway and has made a pet out of one and gives it lettuce and a carrot every day. It is a cute little thing and is just starting to turn white for the winter.

Our Donner Fire Chief, Hap Warnke, is working with the forest service with his heavy equipment getting the forest prepared for planting trees in the burned area. This is quite a project and a lot of men are working on it with their equipment. It could have all been avoided if men had been more careful in our forest.

Mr. and Mrs. Roy Slate just returned from a week's vacation spent in Las Vegas. Now they are preparing for a long winter ahead as Roy is manager of the cocktail lounge at Donner Lake Lodge and Ozella manages their motel.

The total forest area of Australia is estimated at 159,751 square miles, about 5.4 per cent of the total land area of the continent.

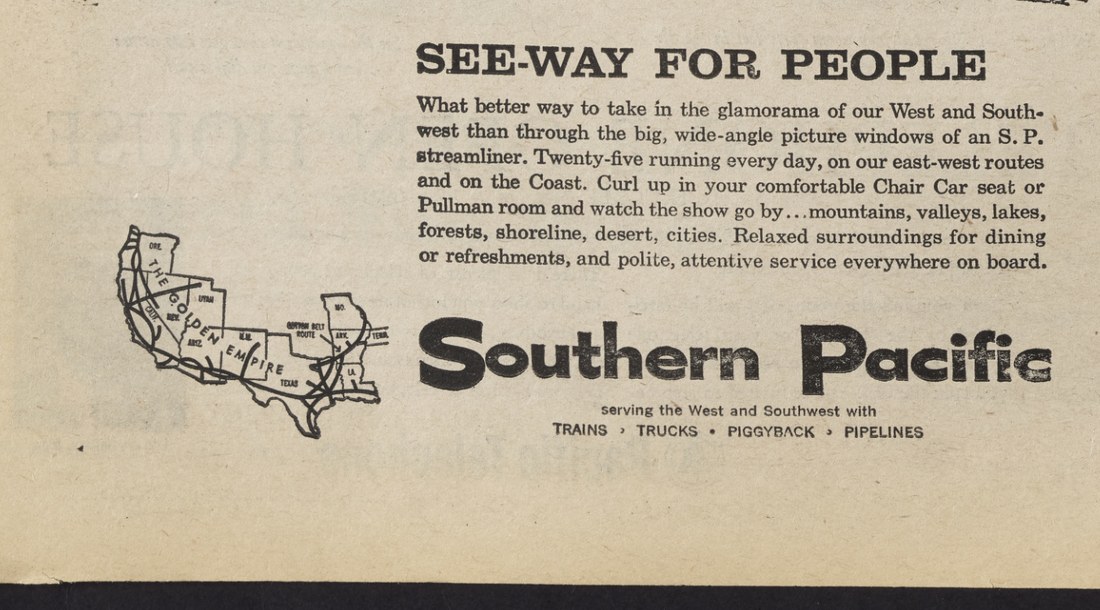
FREEWAY FOR FREIGHT

Every day an average of 725 freight trains roll over Southern Pacific's 14,900-mile rail network in 11 Western and Southwestern states. They carry a daily average of nearly 300,000 tons of things produced, needed and used by people and industry. The ride is swift and smooth on a wide-open steel "freeway"—maintained at *our* expense, not the taxpayers'. No doubt about it, trains are the lowest-cost, most efficient form of transportation for carrying freight overland.



SEE-WAY FOR PEOPLE

What better way to take in the glamorama of our West and Southwest than through the big, wide-angle picture windows of an S. P. streamliner. Twenty-five running every day, on our east-west routes and on the Coast. Curl up in your comfortable Chair Car seat or Pullman room and watch the show go by...mountains, valleys, lakes, forests, shoreline, desert, cities. Relaxed surroundings for dining or refreshments, and polite, attentive service everywhere on board.

DONNER SUMMIT NEWS

By LLOYD W. GAY

BABY GIRL

Ed Coltrin was passing out cigars to celebrate the arrival of a six pound daughter born October 12 in the Tahoe Forest Hospital. Mikki and the baby, named Michiko Myleta, are doing very well and have returned home from the hospital. Ed's mother, his brother-in-law, and his two sisters from the bay area visited the week before the baby arrived.

WEDDING ANNIVERSARY

Milt and Maggie Avila of the Glacier Gap Lodge celebrated their 10th wedding anniversary on October 14 in Reno with dinner.

OPERATORS TO MEET

The Northern California and Nevada Lift Operators Association will meet at the Holiday Hotel in Reno on October 26 to discuss and consider business for the coming ski season. The meeting will be presided over by President Ken Cotton of Edelweiss, and assisted by Secretary Maggie Avila of Glacier Gap.

HOSPITAL AUXILIARY

The Soda Springs chapter of the Tahoe Forest Hospital Auxiliary has launched a drive to expand its membership in performing a valuable and much appreciated service at the hospital. The chapter solicits both volunteer workers and inactive members. Ladies interested in assisting in this service may contact Bette Board, chapter chairman, for more details.

WINTER WONDERLAND EXPOSITION

The Soda Springs Hotel is exhibiting a scale replica of the hotel and the Soda Springs Ski Hill at the Winter Wonderland Ski Exposition, now underway in the Exposition Building in Oakland. The model, approximately eight feet square, was built by Glenn Jones, and will be returned to the hotel for exhibition after the close of the ten day show on October 24. The cleverly designed exhibit should rank high in the prize competition. Bill and Dorothy Cannon, and Fran Couillard are attending the exposition.

AMERICAN LEGION

The Harold Eugene Jones Donner Summit Post 811, the highest in the land, met last Tuesday at the Beacon Hill Lodge. This was the first official meeting under the new post commander, Edvin Aro, and was also attended by the sixth district commander, Al Sabatino, and Second Vice Commander Kinkaid, both of Sacramento. The American Legion is supporting proposals to have November 11 designated as a national legal holiday. The post also noted that only 140,000 of 2,000,000 eligible veterans in California are Legion members. Veterans in the summit area who are interested in joining the Legion are urged to contact Ed Coltrin. The group also discussed plans for their annual Veterans Day dinner, sponsored by Elmo Moriano of the Beacon Hill Lodge.

SHOWER GIVEN

A shower-luncheon was given for Lois Siegel of the Sugar Bowl at the Norden Store last Wednesday. Hostesses Lena Fredericks and Bette Board welcomed the guests to a luncheon prepared by Lena, and an unusual table centerpiece made of manzanita arranged with a red fur parka, red leotards, and red booties. These were later presented to Lois by the hostesses. A play pen and cradle seat were presented to Lois from the group, which included Lola Schull, Betty Hampton, Mary Williamson, Betty Aro, Barbara Zorich, Maggie Avila, Zona Maden, Valeta Mason, Rita Vale, June Forster, Carol Carder, Olga Lyddane, Karen Sailor, and Beverly Cardwell. Dorothy Cannon and Henrietta Gangler were unable to attend.

BIRTHDAY CELEBRATION

A group of birthdays were celebrated at a joint party in the Donner Summit Lodge last weekend as summit residents and friends from the surrounding area gathered to toast Goldie Rowton, Henrietta Gangler, Tommy Lou Burkey, Mikke Sittre, Tiny Donohue, Frank Zoll, and Ralph Tieman, all whose birthdays fell within that week. A beautiful tiered birthday cake was cut, and midnight refreshments were served by the Donner Summit Lodge to the large crowd. Francis Dragoo provided musical accompaniment on her electronic piano.

DONNER SUMMIT PUD

The monthly meeting of the Donner Summit Public Utility District was held on the first Tuesday of the month at the Donner Summit odge under the direction of Chairman Max Williamson.

PIZZA AND POLENTA PARTY

A Columbus Day party, featuring pizza and polenta, courtesy of Pat Jinks Ski Inn, was enthusiastically received by some 75 guests who celebrated the Italian contribution to geography until 3 a. m. This, the second public party staged at the Ski Inn during the past month, was certainly as lively as the first.

NEW RESIDENTS

Associated with Bill Vail as manager of Chevron gas station in Soda Springs is a former Navy shipmate, Carl Ballinger, Carl, who retired from the U. S. Navy in July with the rank of commander, will make his home in Soda Springs with his wife Winnie, and two children. The family will soon move to the apartment in the station. Son Jay, age 15, is a sophomore in Tahoe Truckee High School, and their daughter, Beetzie, is 4½ years of age. An older son, Robert, is employed with the state highway department in San Diego. Carl, who is a licensed real estate man, is very interested in the business possibilities of the summit area.

COMMUNITY CLUB

A large number of families attended the Community Club potluck dinner held Monday night in the Donner Trail School. After the dinner, the Community Club members presented outgoing president Al West and his wife Joyce with a beautifully framed picture of historic Donner Pass in recognition of their service to the community during their three year assignment at the snow laboratory.

The election of new club officers followed, with Dick Read being unanimously elected president. Other offices filled were: vice president, Ed Coltrin; secretary, Kate Zoll; treasurer, Francis Dargoo; and the following members of the board, Bill Cannon, Herb Fredericks, Paul Madden, Max Williamson, and Frank Zoll. Principal Rex Anderson fills a permanent position on the board of directors. Plans were announced for the annual Community Club Halloween party to be held again at the Kiski Ski Lodge. Notification cards will be mailed before the party.

A proposal submitted for consideration at a later meeting by Max Williamson is that the scholarship fund money donated each year by the club to the Tahoe Truckee School District be set aside to provide a scholarship for a student from the summit area. Another proposal submitted for further consideration by Paul Madden dealt with means of combatting the fire hazard in the community during the winter months.

KUCHEL AGAINST NO. 15 ON NOV. BALLOTS

SACRAMENTO—(CNS) — U. S. Sen. Thomas Kuchel endorsed California's proposition No. 1, the water bond issue, and took a stand against reapportioning the state senate, proposition No. 15, in a press conference here.

"I believe in one California, rather than two," Kuchel said. "I do not want the Tehachapi Mountains to become a legislative Mason-Dixon line. I want no parliamentary civil war in Sacramento."

Kuchel, in endorsing the water bond issue, said it is time California starts developing its own water.

"It is the federal government, by federal law, which has given California urgently needed water projects," Kuchel said. "They represent a reimbursable federal investment of well over one billion dollars. California's own participation in development of her water supply is long overdue. The single imposing barrier to our future growth is adequate water."

Proposition 1, if approved, would provide a bond issue of $1,750,000 to be used in developing California's water resources. Proposition 15 would reapportion the state senate, putting 20 districts south of the Tehachapi Mountains and 20 north. Kuchel is a resident of southern California.

Kuchel said the state would "shrivel away" without development of water resources.

CLUB MEMBERS WILL OPPOSE NOS. 1 - 15

SAN FRANCISCO—Opposition to both Propositions 1 and 15 was voted by overwhelming majorities today by members of the Commonwealth Club of California in a secret mail ballot which followed pro and con study by the club's study sections.

The Commonwealth Club's vote was 391-1,133 against Proposition 1, the California water resources development bond act, and 126-1,390 against Proposition 15, senate reapportionment.

The club's published pro and con reports were mailed all members prior to the ballot.

RECOVERING

Word has been received that Jim Sheritt is convalescing in the Whitcomb Hotel in San Francisco after spending some time following an operation in the Franklin Hospital. Mrs. Sheritt is with her husband, who is expected to remain in San Francisco for several weeks longer.

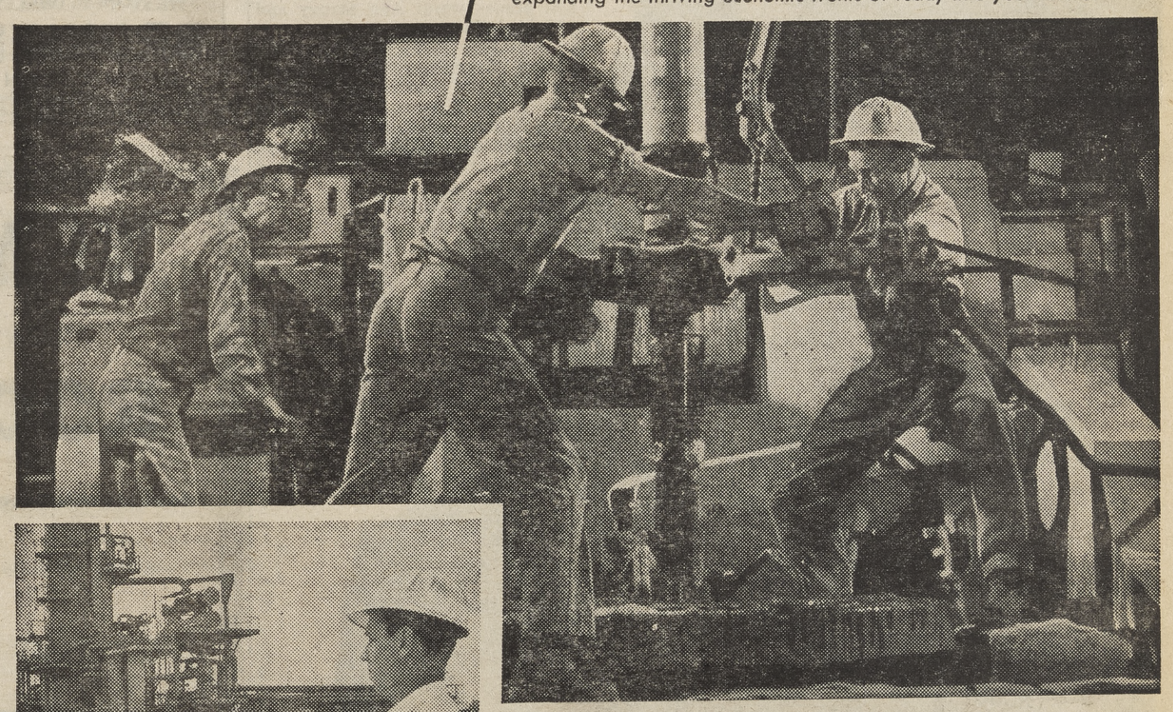
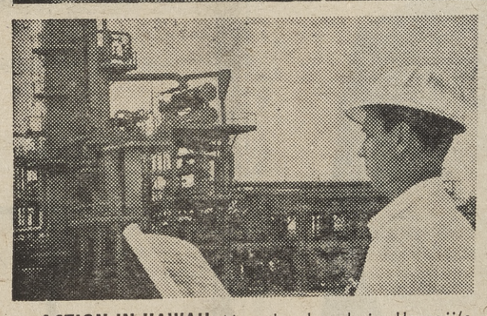
AMERICA'S THRIVING AGE OF ACTION

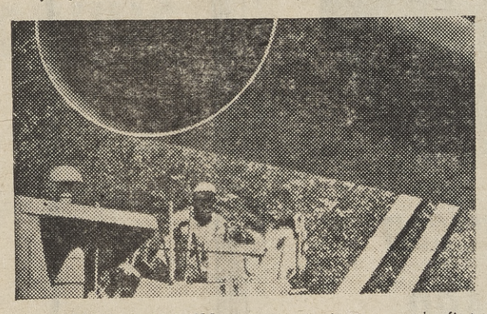
BECAUSE OF AMERICA'S VITALITY... because the facts of growth and progress are before everyone's eyes... because the restless, creative energies of Americans have moved our economy into an age of action... life in 1960 takes on a new, exciting dimension. Here are some of the ways Standard is expanding the thriving economic fronts of today into your future.





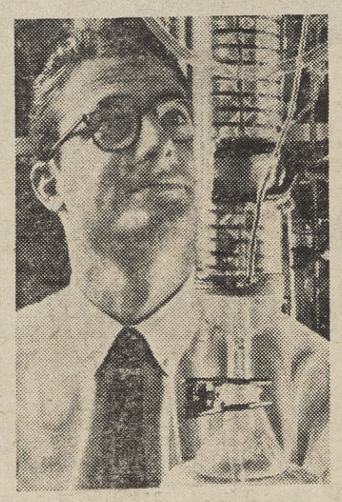
ACTION IN HAWAII New landmark in Hawaii's economy is Standard's refinery... opening next month. Creating new jobs, new payrolls and products "made in Hawaii," this huge plant will cost $65,000,000 — new progress for the Islands.

ACTION 1960-1961 This year we're investing about $400,000,000 to find and produce the oil you'll need... and for new plants and equipment to serve our customers better in an expanding economy. Next year we expect to expend a like amount, because the future of a growing America will demand more and more oil. The best estimates indicate use of motor gasoline in the West, for example, will rise nearly 4% in 1961 over 1960. That $400,000,000 is a practical measure of our confidence in the future.

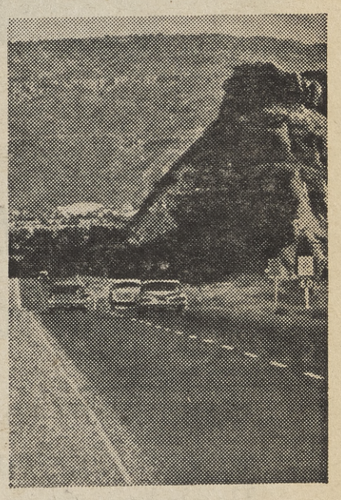


ACTION IN ALASKA Oil is on the horizon — the first commercial production. To speed it to tankers, Standard participated in construction of the just-completed 22-mile pipeline. Standard's investment in the last two years has been three times what the U.S. paid for Alaska in 1867.

ACTION IN AGRICULTURE To keep the nation's productivity rising we completed a $5,000,000 chemical fertilizer plant this year in Washington. This month, in Iowa, we started work on another, costing $22,000,000... the sixth plant in ORTHO's wide-spread agricultural family.



ACTION IN RESEARCH How far can science and imagination commercially "stretch" the molecule of oil? Into colored plastic highways? Into a new wear-defying fiber for clothing? We're backing our research staff — 1400 strong — with $20,000,000 in 1960... to find new ideas and practical answers in this age of action.



ACTION ON THE HIGHWAYS In 1960, under highway building programs, four billion dollars' worth of new roads will connect the nation with its future. As a major supplier of asphalt, Standard helps pave the way at lower cost. For asphalt puts down three smooth miles of highway for the cost of two in other pavements.

FIRST-SECOND-THIRD COMBINATION: We have been learning facts about the seasons and how their changes affect our lives. We are finding out about the planets and our moon. Some children are readings books to help us.

Jacky Jaynes had his tonsils removed on Thursday. We hope that he will be back with us soon.

SECOND GRADE: The class welcomed a new student from Mill Valley. Her name is Nikki Ballenger. The class will have a test on the days of the week and their abbreviations.

THIRD GRADE: With Wednesday having been Columbus Day, Mrs. Longs third grade class attempted writing original stories on the subject. Marvin Banta, Carl Larson, Mark Davis, Sharon Christensen, and Karla Meixner seemed to use a great deal of imagination.

FOURTH GRADE: Children receiving hundreds in the weekly spelling test are: Richard Burchett, Mike Cannon, Jim Caulkett, Mike Kettenhofen, Jim Orr, Eric Poulsen, Greg Pyle, Mark Sullivan, Dick Zehm, Cheryl Bechdolt, Linda Grice, Denise Kimball, Meredith LaTour, Kathy Mockitis, Shirley Stark, Kitty Wertz, Camille Shirley, Ann Wincenciak, and Mike Alves.

FIFTH GRADE: Merit winners for the week in grade ,attitudes and behavior were Mary Stacy, Anna Marie Conners, Diane McBride, Suzanne Wertz, Joan Duttweiler, Anne Starratt, Denis Henrikson, Mike Pelletier, Tommy Hoff, Tommy Easterly, and Steven Shaw.

SIXTH GRADE: Class officers for the next month were elected on Monday, October 10, were: president, Larry Moustris; vice president, Scott Wall; secretary, Lynn Harper; team captains: Holly Wall, Darlinda Stark, Dick Pomin, Barry Bradley. Monitors are, Chris Burmer, Donald Kupka, Rosemary Wray, Stephen Mayhew, Paul Sullivan, Ralph Stromgrem, Jon Caulkett and Mike Tanner.

Those receiving A's on final spelling test October 7 were: Kathy Coster, Nancy Donaldson, Lynn Harper, Rae Lee Grahn, Georgianne Luffy, Darlinda Stark, Leigh Swigert, Holly Wall, Rosemary Wray, Jimmy Bechdolt, John Carnell, Jon Caulkett, Roger Kahn, Donald Kupka, John Mathewson, Stephen Mayhew, Larry Moustris, Dick Pomin, Marty Spitsen, Danny Sprague, Tom Stephanie, Terry Stimson, Ralph Stromgren, Paul Sullivan, Mike Tanner, Gary Taylor, Scott Wall, Douglas Wirtz, and Darlene Alves.

SEVENTH GRADE: On the recent social studies test covering the first four chapters, grades were generally quite high. Earing A or A- grades were: Ann Skerry and Michael Thomas.

Receiving B or B plus grades were: Victor Camp, Cynthia Chandler, Douglas Gaeta, Jean Hallifax, Jill Lyons, Virginia Laughlin, Warren Moyer, and Lance Poulsen.

SEVENTH GRADE: Twenty-three of 24 students scored 100 per cent on the spelling test.

The A's in reading were: Julie Bechdolt, Alex Cushing, Judy Ingram, Karen McBride, Kai Smith, Kathy Wilson and Bill Otts.

A's in social studies were: Julie Bechdolt, Cathy Conners, Judy Ingra, Greg Hickox, Steven Rodgers, and Barney Wertz.

EIGHTH GRADE: Our arithmetic course seems to be giving many of our pupils trouble. Only the following have been able, so far, to keep a B average or better: Eddie Hoff, Greg Moore, Harlene Hopkins, Susan Stephani, Janet Stromgren, Linda Taylor, and Sherry Wall.

QUITTING

Sorry to hear that Roger Davin has resigned from his position as exalted ruler of the Elks Club 2140, North Tahoe Sierra Charter. While I am not a member I would imagine that Davin was an important 'cog' in the machinery to Elkdom.

TO RENO

By all accounts the Mount Rose Road will be all set for winter travel not simply to buy goods because we have that here. We intend to shop in our own community which helps us all in the long run.

MOVED

Margie and Wes Buetow, our son-in-law and daughter, have moved to Pino Grande Avenue right next to Fred Baker. Good luck kids.

FIRE

Watch the young folk as the windy weather is very treacherous fire weather.

HOME AGAIN

The Barbers, Jack and Ruth, are home after a trip south to Alhambra where they attended the marriage of their young son. "Surprise" says Jack.

RICHMOND

Mrs. Ella Mae Blake is now in a hospital in Richmond. Dr. Allan Sklar suggested she be hospitalized due to an attack of pneumonia. At the latest report she is improving and doing nicely.

RECOVERING

We are happy to report that our old friend Eddie Devine who has been hospitalized for several weeks is recovering nicely. Good luck Eddie.

JOHNSON TO OPPOSE PROPOSITION NO. 15

Congressman Harold T. (Bizz) Johnson, Roseville, this week announced his opposition to Proposition No. 15, the proposal to reapportion representation in the State Senate.

"I believe this to be the most important issue before California today, and all counties north of the Tehachapis must be united 100 per cent on this issue if we are not to lose our all important water and other natural resources.

"Just as important is the basic concept of the balance of power in a legislative body such as exists in congress, and has existed in the state legislature. It has worked most satisfactorily since the founding of our nation, and I don't think anyone would ever consider converting congress into two senates and losing the direct contact with the people. I cannot, therefore, understand why anyone would consider doing it to the legislature of the State of California."

Proposition No. 15 would replace the present system — the federal plan—for selecting state senators with an arbitrary method of basing senate representation on population, opponents charge. Thus, the heavily populated Los Angeles area would gain senate seats, while smaller counties would be merged with others, losing strength.

Congressman Johnson pointed out that a report by the University of California Bureau of Public Administration this week was unfavorable to proposals of Proposition No. 15.

USE OF RIGHT LANES IS VITAL IN TRAFFIC

Freeways were designed with high traffic flow in mind, but one unthinking motorist who uses the wrong lane can reduce that potential to a nerve-wracking crawl in a matter of seconds, California Highway Patrol Commissioner Brandford M. Crittenden pointed out this week.

"Selection of the proper driving lane is the key to smooth traffic flow on freeways and multi-lane highways, "he said.

"Choice of lane depends on speed. The law provides that any vehicle proceeding at a speed less than the normal speed of traffic shall be driven in the right-hand lane or as close as practicable to the right-hand edge of the roadway."

On a multiple lane highway, with two or more lanes of traffic moving each way, this "normally means that drivers should stay in the right-hand lane unless passing or preparing to make a left turn. This leaves the left-hand lane or lanes clear for passing," he said.

"On highways with more than two lanes of traffic in each direction, a simple method to determine if you are in the correct lane is to watch the traffic at your right. If cars are passing on that side, you are driving in the wrong lane. Move to the right and let the faster cars pass on the left."

DEDICATION

(Continued from Page 1)

given by Mrs. Roy Saarni, wife of the Truckee district ranger of the Tahoe National Forest; District Attorney Harold Berliner; Elza Kilroy, president of the Nevada County Historical Society; Dan Pello of the E Clampus Vitus and Mrs. Georgene Cooper of Sierraville Native Daughters of the Golden West. Lee Apple, president of the local chamber of commerce, welcomed the guests.

In the audience Sunday were Mr. and Mrs. Ben Wilder of Galt and their children who are great great grandchildren of George Donner. They are descendants of Elitha Donner, one of the children who survived the ordeal.

Organizations taking part were the Tahoe National Forest, William Morris Stewart Chapter of E. Clampus Vitus, the Nevada County Historical Society, the Truckee Donner Chamber of Commerce and the Sierraville, Sierra County, chapter of Native Daughters of the Golden West.

Also taking part in the dedication were Congressman Harold T. Johnson of the second, mountain-valley district; Assemblyman Paul J. Lunardi and State Senator Ronald Cameron.

An account of the tragic winter was presented by Mrs. Saarni.

The three legislators stressed the importance of preserving and marking such locations and told of progress in obtaining funds for the preservation of historical sites and building museums.

SHARON BECHDOLT IS WED TO DANIELS AT IMPRESSIVE SERVICE

TAHOE CITY—A religious wedding ceremony performed Sunday, October 9 at 2 o'clock by Father James Mulligan in Corpus Christi Church at Tahoe City united Sharon Louise Bechdolt and Michael Daniels in marriage in the presence of nearly 300 relatives and friends of the couple.

The bride was given in marriage by her father, Carl Bechdolt, Jr., and was lovely in her chosen gown of white cotton brocade of ballerina length, the ensemble being completed with a veil of finger tip length and carried a bouquet composed of white rose buds and orchids.

Mrs. Angelo Bonino attended her sister as matron of honor and the maids of honor were Mary Ann Stark, Barbara Keehn, Joanne Van Hooser and Jeanne Spitsen. All wore gowns similar in style to the bride's, Mrs. Bonino's in a lilac shade, the others in pink, each carrying an old fashioned nosegay to harmonize.

Joey Siez of Sacramento stood up with the bridegroom and ushers were Don Green of Sacramento, Angelo Bonino, Bill Conners, William Bechdolt.

Parky Bechdolt was the altar boy while Patrick Bechdolt did the honors as ring bearer. Flower girl Melinda Bechdolt was accompanied by Calvin Bechdolt. Keepers of the guest book were Julieanne and Cathy Bechdolt.

The nuptials took place before the altar decorated with white flowers and a reception was held in the golf course club house at Tahoe City immediately following the rites.

Mrs. Daniels is the daughter of Mr. and Mrs. Carl Bechdolt, Jr., and a well known member of the pioneer family at Tahoe City. Mr. Daniels is the son of Mrs. Frances Daniels of Sacramento and he is a student at Sacramento City College, the young couple plan to establish their home in the capital.

The going away outfit chosen by Mrs. Daniels was an off white linen sheath completed with a matching hat of feathers, black accessories and a corsage of white orchids.

The mother of the bride selected a satin suit of electric blue with blending accessories and the bridegroom's mother wore a suit of brown shade with rust accessories.

TAHOE SEWAGE WILL BE SUBJECT OF MEET

LAKE TAHOE—Sponsorship of on engineering feasibility study to find ways and means of constructting, financing and operating a bi-state sewage disposal system for the lake Tahoe Basin will be a major item on the agenda for the annual fall membership meeting of the Lake Tahoe Area Council Friday, October 21 at Tahoe Harrah's, Stateline, Nevada. The business meeting and annual election of officers is scheduled for 4 p. m., to be followed by a 7 o'clock dinner in the banquet room.

The pumping of sewage wastes or effluent out of the Lake Tahoe Basin provides the only know solution to the threat of future contamination of Lake Tahoe's waters, according to a report on the findings of the area council's anti-pollution committe headed by C. Edmunds of Truckee. At a recent bi-state committee meeting, representatives of three public utility districts on the lake advised the group that "despite enlargements and improvements to existing disposal systems, these facilities would not meet sanitation needs within a period of four to ten years." A motion to recommend the engineering project to the Lake Tahoe Area Council Board of Directors was unanimously adopted.

President of the council is B. E. Lowe of Reno. Other council officers include Vice President William Evers of San Francisco, Secretary John Koontz of Carson City, and Treasurer Jordan Crouch, Reno.

PINE BEETLE DRIVE WILL START AT LAKE

CRYSTAL BAY — An all-out attack on pine beetle infestations throughout Incline Village development area will be launched November 1 as a joint effort of the Nevada Division of Forestry and the Crystal Bay Development Company, it was announced today.

The winter long project, which may extend into spring because of the large area to be covered, calls for control measures against the existing pine beetle infestation and removal of already diseased trees.

Work will be carried out by crews of the Nevada Forestry Division, with Crystal Bay Development Company reimbursing the state agency for costs of manpower, equipment and vehicles, according to an agreement betwen the project cooperators. Signers of the pact were John L. Artz, deputy state forester, and Harold B. Tiller, executive vice president of the development company.

Scope of the project is indicated by the fact that nearly all the 9,000 acres, or 14½ square miles, of the Incline Village property is heavily wooded. This area is larger by nearly a full square mile than the total acreage encompassed by the Reno and Sparks city limits, observers noted.
